

KOOTENAY CONTRAPTION CONTEST TEACHER FORM

Calling all kids in grades K-8. GLOWS challenges you to come up with the most creative, most imaginative “contraption” you can dream up to solve this problem:

Think about a challenge you’re facing at school or homeschool. Create a contraption to overcome this problem so that students of the future won’t have the same challenge

To enter illustrate your idea. Remember this form is a starting point to have fun. You can be create with anything from art supplies, illustrations, and even multimedia.

Draw or illustrate your idea in the box. If using a digital media, please indicate it below.
